Text for: **Return / Refund Policy**

We want you to have a positive experience with Medigify. Because our products are digital, this policy outlines the conditions for refunds.

1. Nature of Digital Goods Since Medigify provides immediate access to digital study materials, flashcards, and mock exams, all purchases are generally non-refundable once access has been granted to the user account.

2. Refund Eligibility Refunds may be considered on a case-by-case basis under the following circumstances:

- A technical defect prevents you from accessing the content, and our support team is unable to resolve the issue within 72 hours.
- Duplicate payments made due to a processing error by the payment gateway.

3. Refund Process To request a refund, please contact us within 7 days of your purchase. You must provide proof of purchase and a detailed description of the issue.

4. Non-Refundable Items Refunds will not be issued for "change of mind" or if the user has already completed a significant portion of the available mock exams or study modules.
